Important Information:

The Pension Fund Support Contract is not suitable to govern a relationship of support comprehensively. Its aim, in particular, is to safeguard any claims arising from the Pension Fund Regulations of the Pension Fund of Credit Suisse Group (Switzerland), which under certain conditions provide for a lump sum payable at death to the benefit of a person supported by the insured/pension recipient.

The Pension Fund of Credit Suisse Group (Switzerland) will provide the insured/pension recipient with an acknowledgment of receipt within 30 days of receipt of the Support Contract. If you have not received such acknowledgment within this period, please contact the Pension Fund of Credit Suisse Group (Switzerland).

In order to maintain any claims to the lump sum payable at death, it is imperative that, in addition to signing this Support Contract, the insured/pension recipient enters the supported person in the Pension Fund's own "Amendment to the General Order of Beneficiaries" form (see Art. 65(7) of the Pension Fund Regulations) and submits this document to the Pension Fund of Credit Suisse Group (Switzerland) during the lifetime of the insured/pension recipient.

Prior to awarding any lump sum payable at death, the Pension Fund of Credit Suisse Group (Switzerland) will check that the conditions for entitlement are (still) fulfilled in accordance with the applicable legal and regulatory provisions. The burden of proving the fulfilment of the conditions for entitlement is on the supported person. The supported person must submit to the Pension Fund of Credit Suisse Group (Switzerland) the documentation that the latter requires as evidence.

Any claims against the Pension Fund of Credit Suisse Group (Switzerland) for benefits arising from support will, in particular, cease without replacement in the event of the termination of the support or the discontinuation of the conditions in accordance with Art. 4.1 to 4.2 of this Support Contract.

The Pension Fund Support Contract is only valid if it is completed correctly and in full, the text of the Contract has not been changed, and the Contract has been signed.

If the supported person is represented by a legal representative, an official document is to be submitted to the Pension Fund that evidences the power of representation.

The support contract of Pension Fund 1 is valid for both Pension Fund 1 and Pension Fund 2 (Art. 55(3)(c) of the pension fund regulations of Pension Fund 2).

All references to persons in this Contract refer equally to both genders.
